FALL 2024

THE TOWN OF MARATHON OFFERS SUMMER ICE

The Town of Marathon has always taken pride in being able to offer summer ice for the surrounding communities on the Northshore. Summer ice also gives opportunities for community members to book ice for private and corporate rentals such as: kids skating development, hockey skills and drills, corporate team building, birthday parties, and family reunions. Visit the Town of Marathon Facility Booking page on our website.

SUMMER HOCKEY SCHOOL

Big THANK YOU to Jay & Nick from Jay's Professional Power Skating & Hockey Skills, and Vitucci Goaltending Development! Hockey School was held from August 12-16 and was a tremendous success! The week was filled with skill-building, teamwork, and plenty of fun as young athletes sharpened their hockey abilities under Jay & Nick's expert guidance. The program not only helped participants improve their on-ice performance but also fostered a sense of camaraderie and sportsmanship among the players. The positive feedback from both the kids and their parents highlights the program's impact, making it a standout event for the community.
